Could this be the same child as the "Catharina" born in 1830? I cannot find a death entry for that child, nor a birth entry for this one!

One family record indicates that she was the daughter of a Cornelius Epp and \_\_\_\_ Dyck, and the granddaughter of Dietrich Epp & Maria Unger. However, the birth years of the "grandparents" make this impossible. Could Cornelius be an uncle? She was raised at the Razien Forstei. Married Franz Janzen (1870-1915), Johan Penner (1862-1933) and then apparently Gerhard Enns (1862-1952), according to the source of her date of birth. Her name is also given as Marie. One record says she died at Koenigsberg, Prussia. She was born at the estate called "Lase." It is possible that she didn't marry Johannes Rempel in 1834. 156. Peter Ediger, \* Abt 14 Dec 1750 in Schulwiese, Marienwerder, Prussia, † 3 Jun 1811 in Schulwiese, Marienwerder, Prussia. There were two Peter Edigers of Schulwiese at the same time. This one and Peter Ediger #285201. I have credited each with the children I know they each had, and have put the several remaining children, whose parentage I cannot yet determine with a "temporary" Peter Ediger (# ). - ii Sara Ediger, \* 25 May 1773 in Schulwiese, Marienwerder, Prussia. At the time of her baptism she resided at Schulwiese, Stuhm, Prussia. I am not sure that this is the same Sara Ediger that married Abraham Cornelius! She is listed as a "Jungfrau" at the time of her 1806 marriage to Ediger, even though she is also said to be 33 at that time. However, I cannot locate another appropriate candidate for the Cornelius wedding. Clarification is needed. Sie heiratete (1) Abraham Cornelius. The 1835 Molotschna Census entry for Blumstein #33 lists his son. Er heiratete Helena Wiens, Heirat 19 Nov 1789.

In the 1795 Chortitza Colony Census he is listed at Chortitza #2 (B. H. Unruh, p. 237) and in the 1801 Census at Chortitza #6. Johann Epp says

his third wife was Judith Peters, not Dyck. One record says he was born 3 Jun 1750 (o.s.). Er heiratete (1) Magdalena Kroecker, Heirat 6 Jun 1773 in Danzig-Stadtgebiet, Prussia, \* 11 Feb 1752 in Danzig-Stadtgebiet, Prussia, † 30 Mar 1780 in Danzig-Stadtgebiet, Prussia. Er heiratete (1) Maria Wiens, Heirat 10 Feb 1803 in Chortitza, Chortitza, South Russia, \* 1 Oct 1779 in Prussia, † 30 Oct 1815 in Chortitza Colony, South Russia. Er heiratete (2) Helena Thiessen, Heirat 1 Feb 1816 in Chortitza Colony, South Russia, \* 16 Aug 1797 in Prussia, † 14 Apr 1864 in Chortitza Colony, South Russia.

- vi Elisabeth Epp, \* Abt 1793 in South Russia, † Aug 1801 in Chortitza, Chortitza, South Russia. She was less than 15 years old when she died.
- vii Katharina Epp, \* 30 Nov 1796 in Chortitza, Chortitza, South Russia, † 12 Aug 1894 in Schoenhorst, Chortitza, South Russia. Schapansky indicates Katharina died 12 August 1897 (1993, p. 179). Sie heiratete Dietrich Rempel, Heirat 16 Nov 1815 in Chortitza, Chortitza, South Russia.

*Kinder von Judith Dyck:*

- viii Sara Epp, \* Abt 1799 in South Russia.
- ix Judith Epp, \* Jul 1801 in Chortitza, Chortitza, South Russia. In the Oct 1816 Chortitza Colony Census she is listed at Chortitza #3 in the household of her brother David.

177. Anna Bergmann, \* 4 Jan 1762 in Rosenort, Gross Werder, Prussia, † 15 Nov 1796 in Chortitza Colony, South Russia. BH Unruh says she was born in Blumenort, Prussia on 10 Jan 1762. Another record says she was from Rosenort, Prussia. One family record says she was born 16 Jan (n.s.) and died 15 Dec. The Nick J. Harder submission says she was born 1 Jan 1762. The Robert Cornies submission says she died 3 Dec 1796. Henry Schapansky says she was born 16 Jan 1752. The date of death shown here (15 Nov 1796) precedes her youngest daughter's birth. Johann Epp puts her as: Bergmann or Bargmann. Sie heiratete (1) David Epp, Heirat 17 Jul 1780 in Prussia, \* 15 Jun 1750 in Rosenort, Gross Werder, Prussia, † 29 Sep 1802 in Chortitza, Chortitza, South Russia. Sie heiratete (2) Peter Epp, \* 1681 in Petershagen bei Tiegenhof, Prussia, † 1733 in Prussia.

178. Heinrich Thiessen, \* 1 Oct 1755 in Walldorf, Gross Werder, Prussia, † 3 May 1838 in Chortitza, Chortitza, South Russia. He migrated to Russia from Walldorf, Prussia in 1804 (B. H. Unruh, 352; P. Rempel, p. 86). He is not listed in the 1808 Molotschna Colony Census or in the Oct 1816 Chortitza Colony Census. David Epp's diary entry states that he died on 3 May 1838 at the age of 82 years, 7 months, and 2 days after a 9 week illness. This would suggest that he was born 1 Oct 1755 (Old Style) or 12 Oct 1755 (New Style). The diary indicates that he had 10 children, 2 of whom were alive in 1838 and that he had 30 grandchildren, 22 of whom were alive in 1838. Katie Peters's book "Genealogy of Heinrich Thiessen" on p. 6 says was born 1 Oct 1755. One source says he died 4 Jul 1838, which is likely incorrect. B. H. Unruh, on p. 352, says he was born in 1759, which is likely incorrect.

Heinrich and Maria Thiessen came to the Molotschna settlement in 1804 but decided to go to the Chortitza colony and settled in Ekaterinoslav. Their two oldest children, Dietrich and Catharina,

remained in the Molotschna colony. Er heiratete Maria Woelk, Heirat 5 Jan 1785 in Prussia.

*Kinder:*

- i Durck Heinrich Thiessen, \* Abt 1785, † 1831 in Altonau, Molotschna, South Russia. In the 1808 Molotschna Colony Census he is listed at Tiegenhagen #4 as a friend of Isebrandt Friesen (b. ca 1773) #45148. The 1835 Census entry for Altonau #22 lists his widow and daughters, and says he transferred to Altonau from Halbstadt in 1827 and died in 1831. However, the 1835 Census entry for Halbstadt #32 says that he transferred to Altonau in 1817. Er heiratete Elisabeth \_\_\_\_\_, Heirat Abt 1807.
- ii Catharina Thiessen, \* 1788 in Prussia. Stayed In Molotschna.
- iii Maria Thiessen, \* 1791.
- iv Heinrich Thiessen, \* 12 Aug 1794, † 28 Sep 1859. In 1817 he moved from Chortitza, Chortitza Colony to the city of Ekaterinoslav where he was a miller in 1852 per the 1852 List of People Living Outside the Chortitza Colony. In the 1850 Chortitza Colony Census he was listed at Chortitza #42 with his family, however. In 1852 he owned 2 treadmills, a vinegar brewery, and a home in Ekaterinoslav. He reportedly lived in Schoenau, Molotschna Colony at one time as well. Claassen and the diary of Jacob Niebuhr (b. 4 May 1862) gives a death date of 28 Feb 1859. Er heiratete Margaretha Siemens, Heirat 24 Jul 1817.
- 89. v Helena Thiessen, \* 16 Aug 1797 in Prussia, † 14 Apr 1864 in Chortitza Colony, South Russia. Sie heiratete (1) David Epp, Heirat 1 Feb 1816 in Chortitza Colony, South Russia, \* 24 Sep 1781 in Danzig, Poland, † 15 May 1843 in Chortitza, Chortitza, South Russia. Sie heiratete (2) \_\_\_\_\_ Martens.
- vi Jacob Thiessen, \* 8 Apr 1801 in Prussia, † 17 Nov 1834 in South Russia. Er heiratete Helena Siemens, Heirat 21 Apr 1822 in South Russia.
- vii Anna Thiessen, \* 1803 in Prussia.

179. Maria Woelk, \* 1767 in Walldorf, Gross Werder, Prussia, † 30 Mar 1833 in South Russia. David Epp's diary entry for her husband Heinrich Thiessen states that when he died on 3 May 1838 that he had been a widower for 5 years and 3 months and that he had been married for 48 years and 28 days. This would suggest that Maria Woelk died about 3 Feb 1833 rather than 30 Mar 1833.

180. Peter Siemens, \* 16 Apr 1765 in Marienburg, Prussia, † 1 Dec 1847 in Chortitza Colony, South Russia. In the 1795 Chortitza Colony Census he is listed as a recent Flemish Mennonite immigrant residing on a temporary basis in Schoenwiese (B. H. Unruh, p. 244). He is listed in the 1797 Census, but not in a specific village (P. Rempel, p. 56). In the 1801 Chortitza Colony Census he is listed at Chortitza #8. In the 1806 Census he is listed in Chortitza (P. Rempel, p. 6). In the Oct 1816 Census he is listed at Chortitza #6. He also owned a second homestead at Chortitza #38 in 1814 and 1816. He was the Oberschulze of the Chortitza Colony from 1801 to 1805 and from 1808 to 1823. "Mennonite Family History" (Schapansky] July 1994 issue: "He was a late arrival of the first wave of immigrants and was placed at Schoenwiese in 1795 on a temporary basis. He was given the Schoenhorst homestead of Martin Wiebe after the death of the latter. After the arrest of Peter Hoepfner, he was given the latter's homestead at Chortitza, and gave his Schoenhorst homestead to Johann Loeppky. Peter Siemens was the first, and longest serving Oberschulze (equivalent to mayor or reeve) of the Old Colony, from 1801 to 1805, and from 1808 to 1823."

"Stammbaum der Familie Siemens" (Siemens Family Tree) by Leo Siemens and Dr. U. Hoescher (Berlin and Goslar, 1910), identified Peter Siemens on page 168. My translation of the comments are as follows: "RA 1 Peter, born 1765, died 1823. Based on information from RA 15, he was born around 1760 and died in 1845, in his 86th year. Towards the end of the 18th century (1795) he emigrated to Russia from Marienburg, West Prussia. His wife was born a Klassen. He was a Master Builder (architect?). Mennonite. From around 1810 to 1823 he was the Oberschulze. During this time, he received a large silver medal from Kaiser Alexander I for the construction of a church building. The medal had a recognition band on it and was intended to be worn around the neck (latterly it is in the possession of RA 9). He reportedly also had brothers and one sister. From the brothers, one reportedly emigrated to America. The son of another brother came to Russia; his first name was Gerhard." Ron Siemens (Bragg Creek, Alberta), in his Email of December 14, 2000, reported that the silver medallion

is in California in the possession of Peter and Diane Siemens of Los Gatos. Er heiratete Katharina Klassen, Heirat 3 Oct 1790.

*Kinder:*

- ii Katharina Siemens, \* 18 Oct 1792 in Prussia, † 10 Jun 1814 in Chortitza, Chortitza, South Russia. Her age is given as 9 in the 1801 Chortitza Colony Census, suggesting that she may have been born about 1792. Ron Siemens (Bragg Creek, Alberta), note: "Correspondence with Diane/Peter Siemens confirms birth date." Henry Schapansky in his letter of 2 Feb 1995, with the accompanying family lists, lists Katharina as born in 1793. The Old Colony, p. 180 and 403, incorrectly give her birth date as 3 Apr 1795 and her death date as 16 Jul 1814. Sie heiratete Jacob von Kampen, Heirat 21 Nov 1811 in Chortitza, Chortitza, South Russia.
- iii Peter Siemens, \* 17 Mar 1796 in Chortitza Colony, South Russia, † 2 Apr 1850. In the Oct 1816 Chortitza Colony Census he is listed at Chortitza #6 with his father. Ron Siemens (Bragg Creek) note: "Correspondence with Diane/Peter Siemens confirms birth date." Johann Epp's book "Gedenke des ganzen Weges . . . Band 1 : Die Geschichte der Familien Epp, Froese, Unger, Lepp, u. a." on p. 30 incorrectly says that Peter Siemens was born in 1800. The diary of Jacob Niebuhr (b. 4 May 1862) says he was born 18 Feb 1796. The Old Colony, p. 180, says he was born 17 Mar 1796. Er heiratete Anna Lepp, Heirat 7 May 1815.
- iv Margaretha Siemens, \* 23 Jul 1797 in Chortitza Colony, South Russia, † 18 Feb 1798. Ron Siemens (Bragg Creek, Alberta) note: "Grandma V.2 has death date as 1882. Picture in Heritage Remembered, p 217."
- v Margaretha Siemens, \* 2 Feb 1799 in Chortitza Colony, South Russia, † 24 Feb 1881 in South Russia. Her age is given as 58 in the 1852 List of People Living Outside the Chortitza Colony, suggesting that she may have been born ca 1794. Sie heiratete Heinrich Thiessen, Heirat 24 Jul 1817.
- vi Julius Peter Siemens, \* 16 Sep 1801 in Chortitza, Chortitza, South Russia, † 8 Nov 1870 in Schoenwiese, Chortitza, South Russia. In the 1858 Schoenwiese Census is listed at Schoenwiese #34. The entry says he transferred to Chortitza in 1852. His n. s. birth date was 28 Sep 1801. The diary of Jacob Niebuhr (b. 4 May 1862) gives his death date as 21 Aug 1870, but The Old Colony, p. 180 and 397, give his death date as 8 Nov 1870. One source says he was born in Schoenwiese, but this seems likely to be incorrect since his birthplace is given as Chortitza in the 1801 Chortitza Colony Vital Records. Er heiratete Katharina Anna Entz, Heirat 26 Sep 1822 in Chortitza Colony, South Russia.
- vii Helena Siemens, \* 5 Aug 1805 in Chortitza, Chortitza, South Russia, † 18 Aug 1887 in Chortitza, Chortitza, South Russia. Ron Siemens (Bragg Creek) note: "Correspondence with Diane/Peter Siemens (Los Gatos, Calif) has birth as August 04, 1805." Sie heiratete (1) Jacob Thiessen, Heirat 21 Apr 1822 in South Russia, \* 8 Apr 1801 in Prussia, † 17 Nov 1834 in South Russia. - ix Johann Siemens, \* 11 Oct 1808 in Chortitza, Chortitza, South Russia, † 13 Dec 1853 in Russia. Ron Siemens (Bragg Creek, Alberta) note: "Grandma has his birth as ?? 1806 and LDS FamilySearch has marriage as 1828." Ron Siemens has date of birth as October 11, 1808 whereas Schapansky in his 2001 book lists it as October 1, 1808. I have left Ron's date. Mary Dueck says he was born in Chortitza, not Prussia. He was Chairman of the Agricultural Commission of Chortitza Colony following Cornies' death in 1848 until his own death in 1853. His family was listed at Chortitza #6 in the 1858 Census per a 1916 document in the possession of Mary Dueck. Er heiratete Maria Dyck, Heirat 27 Mar 1827 in Chortitza Colony, South Russia.
- x Jacob Siemens, \* 1810 in Chortitza, Chortitza, South Russia, † Bef 1813.
- xi Susanna Siemens, \* 10 Dec 1810 in Chortitza, Chortitza, South Russia, † 20 Oct 1870, begraben in Chortitza Colony, South Russia. Her tombstone inscription states that she died 20 Oct 1871. Sie heiratete Aron Thiessen, Heirat 22 Sep 1829.

- xii Abram Siemens, \* 1811 in Chortitza, Chortitza, South Russia. He likely died by 1816 since he is not listed in his father's family in the Oct 1816 Chortitza Colony Census.
- xiii Jacob Siemens, \* 20 Jul 1813 in Chortitza, Chortitza, South Russia, † May 1888 in Lamberton, Minnesota. His Gregorian calendar birth date was 1 Aug 1813. In the Mountain Lake records he is not listed with any wives or children, but in the Bergthal records he is listed with his 2 wives and with 10 children (21A). From Bergthal Colony. Moved To Minnesota.  
His age is not given in the 1814 Chortitza Colony vaccination lists, but he was likely born ca 1809-1814.  
Ron Siemens (Bragg Creek, Alberta) note: "First Oberschulze of the Bergthal Colony - MFH, April 1997, Schoenweise Part 2, page 70 by H. Schapansky. PETERS 157788 Mountain Lake records have no family listed but Bergthal Gemeinde Buch (A21) lists his two wives and 10 children. PETERS has birth date as Aug. 1, 1813 (European?). He moved from Bergthal to Minnesota." Er heiratete (1) Maria Buhr, Heirat 30 Oct 1834, \* 8 Oct 1814 in Nieder-Chortitza, Chortitza, South Russia, † 12 Dec 1856 in Russia. 181. Katharina Klassen, \* Abt 20 Jan 1768, † 18 Feb 1843 in Chortitza, Chortitza, South Russia. Per the entry for her in David Epp's dairy dated 22 Feb 1843 her age at the time of her death on 18 Feb 1843 was 75 years, 4 weeks, and 1 day, suggesting she was born about 20 Jan 1768. She had 54 grandchildren and 6 great grandchildren at the time of her death. She had been ill for 7 days prior to her death.

184. Peter Unger, \* 21 Apr 1753 in Prussia, † 27 Dec 1818 in Insel Chortitza, Chortitza, South Russia. In the 1795 Chortitza Colony Census he is listed at #12 (B. H. Unruh, p. 239). In the 1801 Chortitza Colony Census he is listed at Insel Chortitza #11. In the Oct 1816 Chortitza Colony Census he is listed at Insel Chortitza #11 where his family's 1814 Census data is given. Some records record his birth as 1 April 1753. In the 1795 Census his age is given as 41, suggesting that he was born ca 1754. In the 1801 Census his age is given as 46, suggesting that he was born ca 1755. In the 1814 Census data for him found in the Oct 1816 Census his age is given as 58, suggesting that he was born ca 1756. Er heiratete (1) \_\_\_\_\_. - ii Peter Unger, \* Abt 1780 in Zieglershuben, Stuhm, Prussia. In the 1801 Chortitza Colony Census he is listed as a servant with the family of Aron Friesen #196173 at Chortitza #41. He still was not a landowner in 1807. Er heiratete \_\_\_\_\_.
- iii Jacob Peter Unger, \* Abt 1783 in Prussia, † 1795 1798. He likely died by 1798 as he had a younger brother named Jacob who was born about then.
- iv Heinrich Peter Unger, \* 11 Apr 1786 in Prussia, † 11 Oct 1855 in Einlage, Chortitza, South Russia. He moved to Einlage, Chortitza Colony by 1814 as his son Peter was vaccinated there per the 1814 Chortitza Colony Vaccination Lists. In the Oct 1816 Census he is listed in Einlage among the landless. Er heiratete (1) Margaretha Klassen, Heirat 29 Oct 1811 in Rosenthal, Chortitza, South Russia, \* 1793 in Rosenthal, Chortitza, South Russia, † 10 Dec 1813 in Einlage, Chortitza, South Russia. He was a descendent of Peter Unger (b. 21 Apr 1753) #199271 per National Archives microfilm #T81 628, p. 5426026. The 1814 Insel Chortitza census states that Johann, son of Peter Unger, was 9 years old, suggesting that if Johann was the son of Peter Unger then he was born ABT 1805 and not 1810. The year of birth of 1810 stated by Helena (Neufeld) Esau might be an estimate only. The 1848 heads of households list for Chortitza gives his place of registration as Einlage. Er heiratete Helena Hiebert, Heirat 17 Oct 1830 in Chortitza Colony, South Russia.

185. Helena \_\_\_\_\_, \* Abt 1775 in Prussia. Her ages as given in the 1795 and 1801 Censuses suggest that she was born ca 1775. In the 1814 Census data for her found in the Oct 1816 Census her age is given as 30, suggesting that she was born ca 1784.

One record says he was from Huben, Prussia. National Archives microfilm #T81 609, p. 5399808 states he was born 24 May 1733. The 1835 Molotschna Census entry for Blumstein #15 says that son Johann's father was named Abraham! Further research is needed to determine whether the 1835 Molotschna Census was in error in this regard or not. Possibly Johann Harder (b. 1764) wasn't a son of Johann Harder (b. 1733). 352. Cornelius Peter Epp, \* 6 Aug 1728 in Petershagen, Prussia, † 19 Oct 1805 in Molotschna Colony, South Russia. 22 Oct 1764

He lived in Petershagen, Prussia and later moved to Neuenhuben. He was elected minister in Nassenhuben in 1766 and was the leading minister of the Danzig congregation in 1798 (Pioneers and Pilgrims, p. 309). He emigrated to Molotschna on Aug 23, 1804 with his nephew Klaas Reimer (b. 14 Oct 1770) #3944. Some sources incorrectly state that he was previously married to Sara Andres (b. 2 Feb 1727) #12843 and had children by her prior to marrying Christina Fast, but the Danzig Church Records indicate that he was childless (Danzig Church Second Family Volume, p. 297). 360. Jacob Siemens, \* Bef 1740 in Gross Brunau, Danzig, Prussia, † 1784 1786 in Zeyerskampen, Prussia. In 1776 he was living in Gross Brunau (Burwald parish (Schapansky, 1992b, p. 116). Er heiratete \_\_\_\_\_.

*Kinder:*

- i Jakob Siemens, \* 28 Nov 1762.
- ii Peter Siemens, \* 16 Apr 1765 in Marienburg, Prussia, † 1 Dec 1847 in Chortitza Colony, South Russia. In the 1795 Chortitza Colony Census he is listed as a recent Flemish Mennonite immigrant residing on a temporary basis in Schoenwiese (B. H. Unruh, p. 244). He is listed in the 1797 Census, but not in a specific village (P. Rempel, p. 56). In the 1801 Chortitza Colony Census he is listed at Chortitza #8. In the 1806 Census he is listed in Chortitza (P. Rempel, p. 6). In the Oct 1816 Census he is listed at Chortitza #6. He also

owned a second homestead at Chortitza #38 in 1814 and 1816. He was the Oberschulze of the Chortitza Colony from 1801 to 1805 and from 1808 to 1823. "Mennonite Family History" (Schapansky] July 1994 issue: "He was a late arrival of the first wave of immigrants and was placed at Schoenwiese in 1795 on a temporary basis. He was given the Schoenhorst homestead of Martin Wiebe after the death of the latter. After the arrest of Peter Hoepfner, he was given the latter's homestead at Chortitza, and gave his Schoenhorst homestead to Johann Loeppky. Peter Siemens was the first, and longest serving Oberschulze (equivalent to mayor or reeve) of the Old Colony, from 1801 to 1805, and from 1808 to 1823."

"Stammbaum der Familie Siemens" (Siemens Family Tree) by Leo Siemens and Dr. U. Hoescher (Berlin and Goslar, 1910), identified Peter Siemens on page 168. My translation of the comments are as follows: "RA 1 Peter, born 1765, died 1823. Based on information from RA 15, he was born around 1760 and died in 1845, in his 86th year. Towards the end of the 18th century (1795) he emigrated to Russia from Marienburg, West Prussia. His wife was born a Klassen. He was a Master Builder (architect?). Mennonite. From around 1810 to 1823 he was the Oberschulze. During this time, he received a large silver medal from Kaiser Alexander I for the construction of a church building. The medal had a recognition band on it and was intended to be worn around the neck (latterly it is in the possession of RA 9). He reportedly also had brothers and one sister. From the brothers, one reportedly emigrated to America. The son of another brother came to Russia; his first name was Gerhard." Ron Siemens (Bragg Creek, Alberta), in his Email of December 14, 2000, reported that the silver medallion is in California in the possession of Peter and Diane Siemens of Los Gatos. Er heiratete Katharina Klassen, Heirat 3 Oct 1790.

iii Katherina Siemens, \* 19 Jun 1767.

iv Johann Jakob Siemens, \* 24 Dec 1771 in Beiershorst, Gross Werder, Prussia, † 1809 in Rosenthal, Chortitza, South Russia. Johann lived in Rosenthal in 1802, 1803, and 1808 (Schapansky, MFH, July, 1992, p. 116). He received his homestead from Johann Neufeld (probably an uncle of Anna), after Neufeld's death and before 1802 (Schapansky, MFH, July, 1992, p. 116). In the 1802 Chortitza census he is listed at Rosenthal #20 and in the 1808 census he is listed at Rosenthal #19 (B. H. Unruh, p. 263). He migrated to Russia in 1795 from Brunau, W. Prussia (B. H. Unruh, p. 263).

Schapansky noted that Johann had immigrated to Russia in 1796-98. His records were found in the records of Rosenthal in 1802, 1803, and 1808. Prior to 1802, he took over the farm of Johann Neufeld after Neufeld's death (probably was an uncle of Anna, Johann's wife, according to Schapansky). Er heiratete Anna Neufeld.

In the 1801 Census her age is given as 24, suggesting that she was born ca 1777. In the 1808 Census her age is given as 32, suggesting that she was born ca 1776. In the Oct 1816 Census her age is given as 38, suggesting that she was born ca 1778. His parents were Lutheran, and he was raised and confirmed in that faith. However, he went to Amsterdam in 1706 and was baptised into the Mennonite Church there. After his marriage, he settled on the Peter Pauls estate at Tiegerweide, Prussia. He was elected elder of the Grosswerder Gemeinde in 1736. The marriages given for Agatha and Sara are likely, as the name is so rare, and he was the "first" Mennonite Andres. However, I have not yet seen documentary evidence that the "Agatha's" and "Sara's" are the same people.
